As in previous years, our eCard is a fund raiser, not a Victor Meldrew protest about postal charges. For each eMailed card, we will donate 75 pence to St Ann's Hospice, a magnificent local organisation.

If every Silver Surfer sent 10 digital greetings, and donated the cost of a second class stamp for each, £millions could be donated to worthwhile causes. This idea is not catching on. Today is the Winter Solstice and we've received TWO digital cards only.

Perhaps, next year, you could help.
